

Coal Creek Tour | 2019

July 31st - August 2nd 2019

\$135 per person (paid with registration)

\$200 for single occupancy room

What's Included:

- Transportation
- Lodging (2 people per room, 2 nights)
- All meals except breakfasts and Thursday dinner

Tour Details

The air-conditioned charter bus leaves Aitkin on July 31st at 9:00 a.m. Participants will stay at the Best Western Ramkota Hotel in Bismarck, North Dakota. See where your electricity comes from, how coal is mined at Falkirk Mine, walk through Coal Creek Station-the largest power plant in North Dakota, learn about ethanol production and see the Garrison Dam - the fifth largest earthen dam in the world.

Attention high school students!

Mille Lacs Energy Cooperative offers a FREE tour to four high school students. Any sophomore, junior, or senior next year is eligible. A drawing will be held to determine the trip winners.
